

Chalet 686 Lech, Austria

What we love...

We love the cosy home cinema in the basement – ideal for an afternoon film after a hard morning's skiing.

Contemporary, colourful and filled with light, this luxury ski chalet in Lech is a fabulous base for either a group of friends or a family to explore this exclusive area.

A long dining table to seat 12 makes for a wonderful spot to enjoy your breakfast of home-baked goodies, delivered to your chalet door each morning. It's also possible to hire a chef, and sit enjoying leisurely dinners here, watching as the sun

sets and the lights come on in Lech. On the other side of the property is a cosy living room with comfy sofas, which leads out onto a lovely terrace, where you can relax with a nightcap or two.

Luxe sleeping accommodation and a separate home cinema room make this property a real retreat from the world, yet you are only a short few minutes' walk from the centre of town and all that Lech has to offer.
