

Chalet Norte

Verbier, Switzerland

What we love...

We love the spectacular pool and spa – what better after a hard day's skiing than a dip in the pool, a steam in the hammam and a massage.

As you sink into the plush furnishings of the luxury ski chalet Norte, already relaxed from a pampering session in your private spa, you gaze out at the stunning sunset over Verbier's majestic mountains and remark that life doesn't get better than this. Then your host brings over an aperitif and canapés, and you catch a glimpse of your private chef putting the finishing touches to a sumptuous looking dinner, and realise that it's just about to.

A stay in the Chalet Norte, one of Verbier's premier luxury ski chalets, provides the ultimate indulgence for all your senses, from beautiful aesthetics, exquisite food and wine, right through to its state of the art entertainment system.

Its luxurious décor and furnishings come courtesy of one of London's leading interior designers, and floor to ceiling windows provide a constant reminder of the beauty of your surroundings.

And what better way to soak up the gorgeous setting than from your private outdoor hot tub, followed a visit to the spa's pool, sauna, hammam and massage room.

The chalet's own cinema and bar area will provide entertainment for all the family, and additional activities can be arranged by your concierge. And if you can bring yourself to leave the luxury of Chalet Norte, your personal chauffeur will drive you to the village centre, or the Medran ski lift, in minutes.
