

Hotel Le K2 Altitude Courchevel 1850, France

What we love...

We love the fabulous Le Goji spa and hair salon – perfect for an afternoon’s pampering after a morning on the slopes.

The ideal combination of comfort and joy is to be found here at Le K2 Altitude Hotel in Courchevel 1850 in France.

This luxury ski hotel revels in its position in one of the most sought-after locations in the Three Valleys ski area at the very top of the village. With ski in/ski out convenience and the Pralong piste right on your doorstep it’s a fantastic base for your luxury ski holiday in Courchevel 1850.

The 32 bedrooms are spread across eight ‘chalets’, giving each one a boutique feel you don’t get in a much larger luxury ski hotel. The stylish bedrooms are a haven in their own right, whether you’re enjoying a romantic break a deux or a fun, family skiing holiday.

Just like its sister hotel, the K2 Palace Hotel, the K2 Altitude is also inspired by the Himalayas. This exclusive hotel has an ethos of understated elegance and luxury,

and oozes style everywhere you look. Each room is kitted out with everything you could wish for, from games consoles to top-of-the range grown-up gadgetry, and of course, only the highest quality furnishings from the sweeping drapes to each plump pillow.

You can simply ski straight from the door into some of the area’s best slopes, but when you aren’t enjoying the snow, there’s lots to keep everyone busy within the hotel. Le K2 Altitude has a cinema, kids’ club, spa, gym, pool, hair salon and onsite ski shop, together catering for just about anything you could need.

A clutch of fabulous eateries are on site, too. Whether you want a Michelin-starred dining experience, a leisurely and laid-back lunch or even a few fun cocktails or an after-dinner digestif with a cigar, you’ll find a comfy seat with your name on it within the elegant walls of Le K2 Altitude Hotel.
