

## Kilco Penthouse Val d'Isère

### What we love...

We love the great location of this penthouse in Val d'Isère.

If you're the sort of person that likes all the best things in life to be brought to you, you'll love the Kilco Penthouse. Perched at the top of a beautiful traditional building, this luxury penthouse in central Val d'Isère is just minutes from the shops, bars, restaurants and – of course – pistes, yet has a feeling of peace and tranquillity.

Eclectic and stylish living spaces are ideal for entertaining and catching up with friends. In the living area, L-shaped sofa, comfy armchairs and statement lighting and accessories create a real talking point.

Elsewhere, an intimate dining space with vintage furniture beckons, for relaxed and cosy dinners with your party.

Five luxury bedrooms, each with spa-style en-suites and gorgeous bath products gives everyone somewhere to retreat to for some serious snoozing at the end of the day, while down on the ground floor there's even a private swimming pool and Hammam where you can while away an afternoon soothing slopes-weary limbs.
