

Sa Punta de S'Aguila Majorca, Spain

What we love...

We love the way this luxury villa blends into the landscape with sea and mountain views!

Sa Punta de S'Aguila is a luxury villa in Majorca overlooking spectacular panoramic views of both the sea and mountain. Its name translates as 'Eagle's Point', and you can easily see why. Cleverly built into the countryside which surrounds it in typical Majorcan style, using terracotta tiles and exposed beams.

This luxury Majorcan villa has five en-suite bedrooms, all with a terrace with table and chairs, and is located above the coastline, forming part of the Son Bunyola Estate. By day you can enjoy the privacy of

your villa and heated swimming pool, or take a morning stroll around the villas estate. However, for those looking to be a little more active, there is both tennis court on the estate and golf available nearby.

The estate covers an extensive area to the north west of the island (680 acres) and within it lies a large historic manor house dating back to 1800s. Guests of the villa will not fail to feel relaxed in the peaceful location, offering beautiful scenery including vines, fruit & olive trees.
