

Villa Alea

Roca Llisa, Ibiza

What we love...

We love the cool contemporary style – and the huge Balinese beds for lounging on for a siesta.

Peaceful, minimal, serene... It's no wonder people come to Villa Alea Ibiza for the 'zen'. This luxury villa on Ibiza has its own yoga platform, but whether your holiday is more about the downward dog or the lie-down on the deck, Villa Alea is an excellent choice.

Great care has been taken to ensure that the outdoor spaces of this property are as well designed as the indoor ones, so that you can make the most of the generous gardens and terraces.

An outdoor kitchen will appeal to keen cooks, and as well as an outdoor dining area, there are comfortable and stylish seating spots all around the gardens, from the Balinese beds for soaking up the sun to the 'pod' style seats where you can curl up in the shade with a book in your own cocoon.

This luxury villa in Ibiza, with its two swimming pools glistening in the sunshine, is ideal for anyone wanting to rejuvenate both body and mind.

Inside this modern luxury villa in Ibiza an airy and minimalist style pervades. In the living areas, floor-to-ceiling glass doors look out onto the swimming pool, and there's also a large LCD TV and impressive decorative fireplace.

The bedrooms are all well kitted out with iPod docks and TVs, and each ensuite bathroom is finished to a high standard.

Continue upwards and you'll find yourself on the lovely roof terrace with views out to the lights of Ibiza town, only ten minutes drive from your peaceful and private sanctuary in the sun.
