

Villa Bianchi

Anguilla, Caribbean

What we love...

We love the waterside dining and leisure deck – a generous space, right on the water, perfect for parties, weddings or to enjoy just for yourselves as the sun goes down.

Nestled amongst 2.5 acres of viridescent gardens and its own private beach on Little Harbour, this luxury villa in Anguilla is truly a slice of paradise. The upside-down layout has cleverly ensured the views of the Caribbean sea and St Martin in the distance can be savoured from almost every inch of Villa Bianchi, and is ready to welcome you to embrace island life at its best.

Relaxation is top of the agenda here at this luxury beachfront villa. A bird's eye view of the bay can be embraced from the infinity edge pool, which is ideally positioned to benefit from the warm trade breeze that tickles the fringes of the island. With a lavish al fresco lounge, plush rattan sun beds and outdoor dining area surround the pool's edge, everyone can find a spot to enjoy the incredible views. And because Villa Bianchi doesn't do things by halves, a second pool also with lounge and dining area sits amongst the green gardens. Or for those who prefer to have their toes in the sand, the beachfront Jacuzzi, deluxe cabana and sun loungers on your private beach await.

Spread over the main house and separate annex (Petite Bianchi) there are ten stunning bedrooms. Petite Bianchi has its own lounge,

making it perfect for multi-gen families or groups of friends looking for separated sleeping areas. In the main house, seven of the spacious master rooms have dazzling ocean views.

Inside this luxury Caribbean villa there is also plenty to keep everyone occupied, from the quiet of the study to the luxury cinema room with Netflix. Bianchi's living spaces on the upper floor enjoy simply amazing views out to the ocean, made all the more dramatic set against the sleek, modern interiors. A neutral palette of coastal blues and whites gives a crisp, fresh feel to the living and dining rooms.

Those who enjoy a more active holiday will love the wonderful floodlit tennis court and its pavilion, equipped with kitchenette, dining and seating areas, as well as the fully equipped gym.

It's no exaggeration to say that a stay here is the stuff dreams are made of, and there's only a phone call and a bag to be packed between your dreams and making them a reality.
