

Villa Jasmine

St. Barths, Caribbean

What we love...

We love the extra-long pool terrace, which stretches almost the entire length of the property – with infinity pool that appears to fall right into the sea.

Zen Eastern style meets relaxed Caribbean attitude in this luxury villa in St Barth's.

Villa Jasmine has an interior style all of its own, making it a truly unique property. The palette is as colourful as the island of St Barth's itself. Rich reds, purples and metallics combine beautifully with warm woods.

The property is stretched out across a vast footprint, ensuring all members of the party have enough space to call their own as well as sociable areas to gather together. In the contemporary and cool living space slate grey sofas, illuminated by statement lighting, are grouped around a long, low coffee table. Beside the well-equipped kitchen area is a bar with seating for eight, where you can enjoy drinks or watch your chef at work.

Across the entire front of the villa runs a stunning terrace, incorporating lounge areas, beautifully lit dining spot and a fabulous private infinity pool. From

the pool itself the water appears to fall straight into the ocean.

And there is so much here to keep every member of your party occupied. Whether you prefer to float in the pool, lie prone with a good book and a long drink in a sunny spot, look after body and soul in the Jacuzzi and fitness suite or retreat to the TV room or wine cellar of an evening, Villa Jasmine has it.

If you find you require any more amenities than those right on your doorstep, guests of the villa are also invited to use the fabulous facilities of the Eden Rock Hotel nearby, from its gym to its wonderful eateries.

If you feel a little tired at the end of the day, well... frankly we are unsurprised. But you're in the right place. The luxury bedrooms of Villa Jasmine each offer their own unique retreat from the world, with super-comfy fixtures and fittings to high-end luxuries that make a holiday totally magic. Enjoy!
