

## Villa Tabora Ibiza, Spain

### What we love...

We love the extensive gardens with chill-out zones dotted all over, overlooking the pool, the terraces and the wonderful ocean views.

Built around a tranquil swimming pool, this luxury villa in Ibiza is a true retreat from the stresses and strains of everyday life.

Villa Tabora is an open-plan, contemporary property designed to make the most of its wonderful location. Stand on the decked terraces and look out over the infinity pool, across treetops to the sea beyond. Whether with your morning coffee and the paper at the outdoor dining table or reclined on the spacious outdoor armchairs with drinks and friends at sundown, that view is the perfect accompaniment.

In the relaxed living room, a log burner cosies up the whole space on chillier evenings and an indoor

dining area gives you somewhere to eat in the heat of the midday sun.

Each of the en-suite bedrooms is decorated in calming neutral shades and set off by natural materials – stone, wood and pure cotton – to make each one a restful retreat. Two of the six bedrooms are accessed independently from the rest of the villa, making them ideal for grandparents or several families travelling together.

This luxury villa in Ibiza offers the perfect retreat for a luxury villa holiday, located in a peaceful and private location, it is just a few minutes drive from some of the best beaches on the west coast with shops and restaurants nearby.
