

Apartment Aviemore Les Gets

What we love...

We love the private outdoor hot tub, perfect for relaxing after a day on the slopes.

Apartment Aviemore is located on the second floor of an exclusive building, new for the 2017/18 ski season. The exterior has been built in a traditional wood timbered style, yet inside the flavour is decidedly modern city chic.

If it's all about location during your luxury ski holiday, Apartment Aviemore shines bright. It enjoys a ski-in/ski-out position on the pistes allowing you to clip on your skis and be powder bound with minimum fuss.

The social animals amongst you will be pleased to find the busy town centre of Les Gets a short stroll away. So you're at the heart of the action when it comes to that fabled apres ski.

Offered on a self-catered basis, Apartment Aviemore was named in homage to the small Highlands village which serves the Cairngorm

ski area. Quirky nods to the owners' Scottish heritage are dotted around this luxury ski chalet, not least in the rather fabulous apres ski whisky bar.

Once you've warmed yourselves up, you may turn your attention to dinner. Whether you choose to dine chez vous or amidst the buzz of lively Les Gets is down to you.

Post slope muscles will cry out for some time in this luxury chalet's outdoor hot tub, located on the terrace. Just grab a glass of bubbly and relax with those mountain views.

When staying at Apartment Aviemore, you'll have shared access to a sauna within the residence. For larger groups, this apartment can be rented with Apartment Caly View next door (subject to availability), perfect for two or three families travelling together.
