

Chalet 46° Morzine

What we love...

We love the outdoor deck area – a unique feature for a Morzine ski chalet - from the hot tub to the outdoor bar and lounge area, warmed by the fire pit.

A beautiful balance of old and new is always a classic recipe for success. This traditional French farmhouse has been skilfully remodelled, redesigned and zhooshed up to become a luxury ski chalet in Morzine of very fine quality!

Rustic wood beams frame each room, and acres of glass allow light to flood into every corner of the property, particularly the top floor where the open-plan living and dining space has views of the Pleney slopes and Pointe de Nyon. Help yourself to a drink from the bar and decide whether you want to enjoy the view from the comfort of the sofas in front of the wood-burning stove, or out on the balcony, up close and personal with the mountain air.

This luxury ski chalet has been designed to make the very most of its outdoor spaces with a unique outdoor deck area. Should you choose to dine 'al fresco', a barbecue, pizza oven and additional outdoor dining area have been designed for both winter and summer use. Sit back and enjoy the mountain stars while your chef and chalet host prepare and serve your evening meal – an experience not to be missed. There is also an outdoor lounge & bar, with fire pit, hammocks and loungers.

Then, of course, there is the outdoor hot tub, best enjoyed with a glass of complimentary champagne and a few friends.

On chilly afternoons after a morning spent on the slopes, there's plenty to entertain everyone at Chalet 46° from the spa area with sauna to the TV/cinema room with something for everyone. There are always staff on hand to help with anything you could wish for, whether you want to be whisked to another ski area in the private car, arrange an outdoor pizza party for the children or simply need your drinks topping up so you don't have to set foot out of the hot tub.

At the end of each busy day, you'll find no more relaxing place to lay your head than one of the beautiful bedrooms, with Egyptian cotton sheets, luxury mattresses and Smart TV, so you can make each room your own private bolthole. Sweet dreams.

Morzine is fantastic resort all year round resort and with plenty of outdoor space Chalet 46° is ideal for a summer chalet rental in the Alps. It is offered on a self-catered basis during summer months, however we can arrange everything from chefs to airport transfers and in-resort activities.
