

Chalet Arula 2

Lech, Austria

What we love...

We love the party room, perfect for a big bash or an intimate gathering.

For an intimate get-together in the mountains with a bit of world-class skiing thrown in, you couldn't find a better bolthole than this luxury ski chalet in Lech.

Chalet Arula 2 is a ski-in/ski-out chalet from which you can walk straight onto the Schlosskopf slope, meaning you never waste a moment getting to the snow in the morning and when you've exhausted the mountain (and your thighs) you can be back in your luxe living room, fire roaring and feet up with a glass of bubbly in no time.

The chalet itself is an ideal place to gather with friends or family, whether you have a special occasion to celebrate in the party room, or simply want to enjoy quiet evenings watching a film in the cinema room

or around the fire enjoying excellent food prepared by your private chef and having your glass regularly charged by your butler.

Your wellbeing is just as well catered for as your stomach, at Chalet Arula. The wonderful spa includes an indoor pool, sauna, hammam and massage room, as well as a bar and relaxation area where you can recharge your batteries after an adventure-filled day.

At the end of the evening, after a nightcap on the balcony, looking out over Lech, retire to uber-cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep, ready to make the most of everything Lech has to offer in the morning.
