

Chalet Le Rocher Val d'Isère, France

What we love...

We love the style of Chalet Le Rochet in Val d'Isère- a mix of rustic alpine chic with a hint of ethnic detailing and state-of-the-art technology, all finished off with plenty of decadent glamour.

Located at the top of a private road, assuring privacy and enjoying views of the Isère valley, Chalet Le Rocher is an extraordinary chalet. As you approach the chalet, its sheer scale is breathtaking.

Take the lift to the second floor and you are greeted by the magnificent living area with its vaulted ceiling and fabulously stylish decor. Cowhide sofas and light shades are complemented by sensational modern glass chandeliers and the crackling log fire is the focal point of the room.

As one would expect from this exceptional chalet, Le Rocher has just about everything anyone

could want including a jet stream swimming pool, which even has its own projector screen. Then you could relax in the steam room before indulging in a soothing massage in the chalet's own calming massage room.

A lift serves every floor and there is a separate ski room with boot warmers. The chalet is extremely well equipped with state of the art technology throughout.

Your hosts deliver impeccable service yet melt into the background, while the talented private chef will delight guests with gastronomic treats at this luxury ski chalet.

Eating

Guests are treated to tea or coffee in bed, plus breakfast daily, delicious homemade cakes in the afternoon and then Champagne and canapés in the evenings. Dinner is provided on five evenings per week.

Your dining experience is completely tailored to you and the chefs will be delighted to discuss your requirements prior to your arrival. They can create a formal gastronomic experience with classic dishes with a twist, or perhaps you would prefer local specialities, or comfort food in front of the TV - they can do that too.

Only the finest ingredients are used and wherever possible, local and seasonal produce, sourced from markets and farms.

Many excellent house wines are kept in stock in the cellar, but if you have any particular requests, however rare, let us know and we will liaise with the chalet team to try to track these down to have them ready for you when you arrive. Of course, there is always chilled Champagne waiting for you and your guests.

You'll have two evenings a week to sample the local restaurants of Val d'Isere and your chalet hosts will be happy to make recommendations and bookings.
