

Chalet Papillon Val d'Isere, France

What we love...

We love the mountain views from the top floor – picture-postcard perfect.

Authentically Alpine, thoroughly modern and comfortably stylish, this luxury ski chalet in Val d'Isère is the perfect snowy escape.

Situated just moments from the bottom of the Belvedere chairlift, Chalet Papillon offers unrivalled convenience with fabulous skiing just minutes from your front door. And the best thing about it is that you can enjoy the mountains without even leaving the chalet - the 'living' floor has fabulous views out over the snowy Face de Belvedere, which you can enjoy from in front of the roaring fire with a drink in your hand of an evening. A cosy antidote to hurling yourself down the mountain in daylight!

Down in the basement is a beautiful indoor swimming pool and Hammam where you can spend a relaxing afternoon pampering yourself to within an inch of your life.

The en-suite bedrooms are all kitted out with luxury bathroom products to ensure every second of your time at Chalet Papillon is an indulgence. Rustic wood panelling and crisp cotton sheets make for a restful combination that makes it almost impossible not to get a sound night's sleep.
