

## Chalet d'Espoir Morzine, France

### What we love...

We love the open plan living area, the perfect environment for family and friends to relive the events of the day in front of the roaring fire.

With staggering views down the valley, the new Chalet d'Espoir offers a lot more than a little hope. Sleeping up to 12+2 guests across seven individually designed bedrooms, this charming home from home has everything you have been looking for in your luxury ski chalet in Morzine.

A glorious first floor, open plan living area keeps your group together whilst they relay stories of the day zipping around the mountains. The adjoining modern kitchen blends in seamlessly to the scene and keeps you in touch with your hosts whilst your own personal chef rustles up fine bespoke cuisine during your stay.

In the mornings, the dining area is a wonderful spot to take breakfast,

looking out at that awesome view – or take your coffee out onto the terrace to take in some of the mountain air too. There's a combination to really wake you up! The south facing views down the Morzine valley are stunning and there's nowhere better to enjoy this than in the bubbling hot tub at the end of your ski day.

A subtle blend of traditional carpentry and ancient stonework couples elegantly with a modern twist keeping the feel fresh throughout this luxury chalet. Throw in a cosy home cinema room with discreet hosts on hand to make you feel at home, your first stay at Chalet d'Espoir will not be your last.
