

Mosaic House Lake Como, Italy

What we love...

We love the quiet and privacy of this bijoux villa, combined with the fabulous facilities of the Villa d'Este Hotel.

A beautiful lakeside bolthole with five-star service on your doorstep. We can't think of many better ways to spend a romantic week with your other half.

The Mosaic House is a luxury villa in the Italian Lakes that offers an intimate and peaceful location for a quiet break for two, but with the benefit of the facilities of a luxury hotel. The house is part of the Villa d'Este hotel's estate, so you can make the most of the many bars, restaurants and wellness facilities and will be well looked after at all times by the hotel's attentive staff.

The house is designed to echo the elegant looks of the fabulous Villa d'Este itself but with a modern twist. Recently restored from top to bottom, the house is decorated in light, neutral shades that allow the property's wonderful location to sit centre stage – no need for exquisite works of art on the walls when each window from the high-ceilinged living room frames one of nature's most glorious landscapes. The calm waters of Lake Como are glimpsed

through every window and both this room and the bedroom open onto a private terrace which overlooks the fortresses and the lake – the perfect spot to enjoy a coffee first thing in the morning.

The bedroom itself is a really restful space, with an en-suite marble bathroom where you can enjoy a long soak in the late afternoon before wandering over to one of the hotel bars to start your evening – or if you prefer, simply order room service to the privacy of your intimate villa. Foodies will not be disappointed by the menus here.

If you manage to drag yourself away from your cosy four walls, there's lots to do in and around the hotel, from the spa, sports and tennis clubs, to cycling and running tracks and the gentle buzz of Lake Como itself – whether you're out on the water or sitting at its edge with a book, enjoying some of the best quality people-watching in the world to the sound of water gently lapping the shore.

Eating

Because this luxury Italian villa is set within the grounds of the five-star Villa d'Este hotel, you can enjoy the hotel's fabulous restaurants as well as the privacy of eating in your own villa.

Each morning, a continental breakfast is served in your villa or you can choose to have a buffet breakfast in the Villa d'Este's Veranda Restaurant. The Veranda has a wonderful view of the gardens and is also a lovely spot for an elegant dinner. For a more casual Mediterranean experience try Grill, which specialises in local dishes, or Il Platano. For a light lunch or pre-dinner cocktail, Sundeck or the Canova Bar fit the bill perfectly. And in peak season, nothing makes for a more atmospheric evening than the Terrazza Bar and d'Este Club on a Saturday night, when live musicians play at the lake's edge while you sip your drinks.

Room service is available in the comfort of your villa or, if you prefer a more intimate dining experience, and there is a fully equipped kitchen for those who wish to self-cater.
