

Six Senses Prestige Penthouse Courchevel 1850

What we love...

This luxury ski chalet's very own cinema room and wine cellar - perfect for quiet (and not so quiet) evenings in!

Glamorous Courchevel 1850 in the Three Valleys is the location for this luxury five bedroom duplex penthouse arranged over the fifth and sixth floors of Six Senses Residences Courchevel.

When you're not rubbing shoulders with the in-crowd on the slopes of buzzing Courchevel 1850, you can wind down on the wraparound balcony at this luxury ski chalet. Grab a glass of something fizzy and drink in those Alpine views.

Cool neutrals, high-end touches such as fur blankets and designer tableware come as standard at this penthouse. Contemporary chic is very much order of the day. There's all sorts of gadgetry to amuse the techie fans in your party, including an Apple TV and integrated music and multimedia system which controls the lighting and heating.

The well-equipped kitchen is ideal for budding chefs, whilst Naturalmat organic mattresses and Organic Pharmacy bathroom amenities are an extra touch. Wine buffs rejoice - there's a private wine cellar at your disposal. Once you've selected a bottle or three, assemble your group around the fireplace for drinks and nibbles in the large open plan living/dining room. After dinner, you could head to the private cinema room for movies and more drinks before bed.

The in-resort concierge will see to any request, ski related or otherwise. When you're not snowbound, you can enjoy the Six Senses spa where you can indulge in a range of pampering wellbeing treatments, to the beautiful swimming pool and outdoor hot tub.

Aaaaand....relax.
