

Le Chalet des Amis Meribel

What we love...

We love the private relaxation area with the secure, heated indoor plunge pool and the sauna overlooking the mountains.

Le Chalet des Amis is a haven, designed entirely with deep relaxation, ultimate fun and connecting with friends and family at the forefront – exactly as the name implies. Located in the beautiful and vibrant resort of Meribel, it's perfect for those who want to have the option of being in town, whilst also being just minutes from the slopes. With south-facing exposure, the balcony view is bathed in sunlight for much of the day.

Renovated entirely in 2022, the 400m² chalet has been rejuvenated with a modern design that encapsulates a deep appreciation for local ecology. To look at the chalet from the outside is to step back in time, yet upon entering, the interior design is contemporary, blended delicately with traditional touches. Inside, the living space is vast and well-equipped to comfortably home up to 15 guests.

Enjoy freshly baked treats delivered daily to this luxury ski chalet. The open plan kitchen space has everything you need here to prepare memorable family meals. Sit down at the impressive wooden table, revisit your day on the slopes and

admire the mountain views through the floor to ceiling windows – all at the same time!

On cold afternoons, when you've returned from shredding on the slopes, spend a heavenly hour or three in the relaxation area soothing your tired muscles in the sauna and heated indoor pool. Massages and treatments can be arranged for you in your private spa area, whenever you desire. If you're an energetic sports enthusiast and the slopes weren't enough for you, there's even a well-equipped gym at your disposal.

In the evenings, savour a night cap watching the sky change colour over the mountain ridges, or sink a cheeky beer or two over a game of darts. Finish each day by sinking into the cloud-like beds, preparing you for the fun-packed day ahead. The six bedrooms are well equipped, all with their own bathroom and hospitality products included. Three of the downstairs bedrooms share a south-facing balcony, ideal for enjoying a morning coffee. The cosy and welcoming ambiance of Le Chalet des Amis really is second to none.
