

Villa Richard Meier Lake Garda, Italy

What we love...

We love the mesmerising view from the sun-drenched terrace, where you can look out over shimmering Lake Garda from your private infinity pool.

Perched high above Lake Garda's glistening emerald waters, this sleek white masterpiece – designed by esteemed American architect Richard Meier – allows you to experience the Italian lakes in serious style. As luxury villa holidays come, it doesn't get much better.

Villa Richard Meier is modern, light and airy. The elegant décor and chic white furnishings exude relaxation and create a striking contrast with the dazzling lake and lush mountains beyond the floor-to-ceiling windows. Step outside to the spacious terrace and you'll realise just how special the views are here – you even have a lake view from your private infinity-edge pool.

Inside this luxury villa, there's a stylish dining area that makes it easy for the whole family to sit down and enjoy leisurely meals

together, while the double-height lounge is the perfect spot to play board games or gather around the contemporary log burner during cooler climes.

The four restful bedrooms all come with a king-size bed, ensuite and delightful views of the lake. Bonus features at Villa Richard Meier include a private spa with a relaxation area, sauna and steam bath. There is also a workspace with views of the lake, ideal if you feel inspired to write or need to check emails while you're away.

No detail is overlooked at this luxury Lake Garda villa; guests can expect Bulgari products in the bathrooms, a 'maxi bar' filled to the brim with complimentary non-alcoholic drinks and snacks, and a wine cellar where you can choose from top vintages.

If you're in the mood for a more informal meal, there's a private barbecue on the villa's terrace where you can rustle up sizzling al fresco feasts. Guests can also dine at Villa Eden Luxury Resort's gourmet restaurant, La Celeste, which serves up perfectly presented seasonal Italian cuisine.

Please note that the cost of food and alcoholic drinks will be charged for separately.

Kids

Villa Richard Meier's private pool will provide hours of splash-time entertainment. Older children can make the most of the e-bikes provided, joining you as you whizz around the resort and beyond. Your villa also comes with a private golf cart to travel around the resort grounds, which comes in handy when little legs get tired.

Down at the lake (just a 10-minute downhill walk away), Gardone's pebble beaches have Blue Flag status and there are two lidos. Water babies will be spoilt for choice, with the chance to try out watersports including paddle boarding and canoeing.

At evening mealtimes, if you prefer to sit down to a grown-up dinner in peace, then simply arrange early kids' dinners with your private chef. Bliss.
