

Chalet Mariefleur Meribel

What we love...

We love the cinema room with its sink-into leather sofas and the adjoining games room where a pool table provides hours of fun.

Luxury catered ski chalets don't come much better than Chalet Mariefleur in Méribel. The perfect blend of classic and contemporary, it conceals a stylish high-spec interior behind its enchanting Savoyard stone and alpine timber walls.

This four-storey chalet houses five bedrooms on its various levels. Each bedroom is a cosy cocoon with a cabin-style feel and comes with its own en-suite bathroom. As for additional facilities that go beyond the standard chalet offerings, how about a plush sound-proofed cinema room, den-like games room, sauna and steam room, and hot tub featuring lofty mountain views?

Chalet Mariefleur's well-equipped kitchen and dining area provides the ideal setting for memorable meals with family and friends. Once you've tucked into your evening meal, retreat to the living area centred around a roaring fire, where you can all sit and chat over a few glasses of wine long into the evenings.

Chalet Mariefleur can be offered either on a B&B, self-catered or contactless catered service, allowing you more freedom when it comes to meal times.

There are enough supplies for breakfast and afternoon tea every day, three-course dinners (with nibbles and cheese) on six nights, and complimentary drinks including a Champagne reception.

The self-catered service is ideal for those who love to cook and want to take advantage of the fully equipped kitchen. Alternatively, you'll be spoilt for choice when it comes to Méribel's cafés, restaurants and bars should you wish to dine out.

A bed and breakfast option is also available. The chalet will be stocked with fruit & yoghurts, cheese & cold meats, eggs & bacon, etc, all of which will be topped-up as needed. Fresh bread & croissants are also delivered each morning.

Kids

When children aren't playing out in the snow, they'll love practising their pool shots in the games room or watching movies in the cinema room. One of the bedrooms features a mezzanine with an additional single bed – an ideal cosy space for kids.
