

## Chalet Atacama Val d'Isere

### What we love...

We love the master bedroom with its floor-to-ceiling windows and sauna and Jacuzzi bath as part of the en-suite.

Enjoying a central position in the pretty village of Le Fornet – an increasingly popular area of Val d'Isère for those in the know – this brand new luxury apartment is just a few minutes' walk from the Fornet ski lift, which provides quick access to the superb skiing on the Glacier du Pisailas. Decorated to the highest standard with exposed timber beams, carved stone sinks, and warm, neutral tones, Chalet Atacama makes the most inviting setting for your luxury ski holiday.

On the ground floor, the stunning open plan living area is flooded with light from the full-height windows. Step out onto the terrace and take in wonderful views that stretch from the Isère river to the peaks above. When the sun dips behind the summits, sink into one of the comfortable sofas beside a crackling

fire with your pre-dinner kir. With its large table and stylish suspended lighting, the dining area is a magical place to devour the delicious meals included in the 'contactless catering' service.

You'll find three luxurious bedrooms on this floor, each with its own en-suite shower room and TV, and one of which is a children's bunk room with space for four little ones.

Chalet Atacama's crowning glory, however, is the master bedroom, which sits on the top floor. Its private seating area is the perfect place to sit with a coffee and soak up the views through the floor-to-ceiling windows. It also enjoys, within the en-suite, a sauna and Jacuzzi bath, where you can soothe aching limbs after an energetic day on the slopes.

There is a choice of catering option at Chalet Atacama, so you can tailor your luxury ski holiday to your preferences.

For those who like to cook their own meals, you can book the chalet on a self-catered basis and make the most of the spacious, fully equipped kitchen. This option is also ideal if you'd like to explore Val d'Isère's renowned restaurant scene on more than one night.

Opt for the 'contactless catering' service and you'll find your kitchen fully stocked on arrival with delicious pre-prepared meals. All you need to do is heat up the dishes and throw together a side of salad or fresh vegetables, and you'll have the catered chalet experience, without the need for staff. The hearty breakfast will set you up for a day of skiing, while on return to the chalet you'll have a decadent afternoon tea to tide you over until dinner. On six nights of the week, you'll enjoy a kir apéritif and nibbles followed by three fabulous courses and cheese – not to mention the unlimited wine.

A bed and breakfast option is also available. The chalet will be stocked with fruit & yoghurts, cheese & cold meats, eggs & bacon, etc, all of which will be topped-up as needed. Fresh bread & croissants are also delivered each morning.
