

Antarès Meribel

What we love...

We love the magnificent 800m² spa, with its sauna, Hammam, salt cave, and 25m indoor swimming pool offering panoramic views of the mountains.

If you seek the privacy and flexibility of your own apartment with the facilities and services of a luxury hotel, Antarès Méribel offers the perfect balance. Comprising of 55 individual apartments across 6 residences, all with access to the hotel's bar and spectacular spa, it seamlessly blends the height of luxury with the home-from-home feel of your own space.

The apartments range from intimate spaces for 4 guests to stunning duplexes sleeping up to 17 people, the ideal place to bring all your friends and family together. Each has its own unique style, with beautiful high quality furnishings and a bright, warm atmosphere. In the mornings, gaze at the snow-capped peaks from your own private balcony or terrace. After sunset, curl up by the fire or in front of a film and tuck into delicious dishes around your dining table.

It's tempting to spend a full day relaxing in the hotel's state-of-the-art spa, equipped with a salt cave, sauna, Hammam, ice fountain, and a heavenly 25 metre indoor swimming pool with panoramic views of the summits. Indulge in a treatment from one of professional therapists, or simply unwind in one of the private resting cocoons. Once you're fully rejuvenated, head to the cosy yet elegant bar to enjoy a hot drink, apéritif, or a glass of wine by the crackling fire.

With a sought-after location right on the pistes, Antarès offers ski-in/ski-out access to one of the largest ski areas in the world. It boasts its own ski shop where you can rent quality equipment, or store your own skis in the private, heated lockers, ready for you to make more memories on the slopes tomorrow.

Kids

Children will have an unforgettable stay at Antarès Méribel. Several areas of the hotel have been designed with them in mind, such as the well-stocked kids' playroom and a space reserved specially for teens. If your little ones still have energy after a day on the mountain, they can burn it off in the dedicated children's swimming pool. There's even a kids' spa menu so they can enjoy their own relaxing treatment.

Antarès Méribel offers stress-free, ski-in/ski-out access to the slopes, ideal when you have youngsters in tow. The convenient Rhodos bubble is situated just opposite the hotel along with a ski school meeting point. Should you need to travel into the town centre, the in-resort driver service is available to shuttle the whole family back and forth from 8:30am until 10pm.

And when it's time to gather for your evening meal, there's a menu specially tailored to younger palates.
