

Apartment Avorio Courchevel 1850

What we love...

We love the amazing location of this apartment, close to the slopes and the centre of town and right in the heart of Courchevel 1850.

Apartment Avorio is a luxury ski apartment in Courchevel 1850 with self-catering facilities. It's just one of the apartments that make up the exclusive Mascara residence, which was completed in 2023. As guests of Mascara, you'll enjoy access to its facilities such as a secure reception and the spa area, but still retain all the privacy and comforts of a stay in a private apartment.

The property sleeps eight guests across three main bedrooms and a 'mountain cabin' with two bunk beds, perfect for children. A calming, neutral palette and luxury bed linens make each of the bedrooms a cosy retreat, and you're sure to enjoy a good night's sleep here.

The main living space is open-plan and includes a contemporary kitchen with everything you need to enjoy cooking and eating together, a

stylish dining space, and a relaxing lounge area with TV and corner fireplace. Again, neutral palettes, natural materials and a sprinkling of Alpine style make the living spaces feel truly relaxing – a real home from home.

The property's outstanding location means you are only ever moments from the action, whether you want to be first out on the powder in the morning, or bag the best table at the best coffee shop in Courchevel 1850.

When you return to your apartment in the afternoons, you'll want to make sure you leave enough time for some pampering in Mascara's shared spa facilities, with indoor pool, Jacuzzi, fitness room, massage room, Norwegian sauna and outdoor hot tub. You'll emerge feeling refreshed and revitalised and ready for the evening's adventures.
