

## Apartment Castano Courchevel 1850

### What we love...

We love the shared wellness area in the Mascara residence, which includes a swimming pool, Jacuzzi, gym, massage room and outdoor sauna and hot tub.

With all the benefits of a self-catered apartment, Apartment Castano offers a wonderful location, right at the foot of the slopes and a stone's throw from the centre of town.

Set on the second floor of the stunning Mascara residence, this luxury ski accommodation also offers ski-in/ski-out and wellness facilities.

Inside, contemporary living spaces, with an Alpine twist, bring a welcoming and laid-back feel. Neutral colours and natural materials are instantly calming and a corner fireplace makes this a

really cosy spot to relax in post-ski. The sociable, open-plan kitchen and dining spaces are well-equipped for self-caterers, too.

On quiet afternoons, when you're back from the mountain, head down to the residence's wellness area for a few lengths of the swimming pool, half an hour in the sauna or hot tub or perhaps even a massage.

Whether you spend the evening in your luxury ski apartment or out exploring Courchevel, you'll return to Apartment Castano ready to fall into comfy beds, between cotton sheets, and drift into a deep sleep.
