### What we love...

We love the wonderful, shared spa in the Mascara residence, exclusively for the use of its guests, and including indoor swimming pool and Jacuzzi, fitness and treatment rooms, sensory shower and an outdoor Norwegian sauna and hot tub. There's also a relaxation area and tea lounge.

Modern and stylish, Apartment Intresso is a luxury ski-in/ski-out apartment in Courchevel 1850, that's designed for a laid-back, stress-free skiing holiday. It's one of just a handful of properties that make up the exclusive Mascara Residence, enjoying a shared spa area, with swimming pool, hot tub, sauna, gym and spa area with massage room.

The heart of the property is the open-plan living area – a tastefully decorated space that welcomes you in. The lounge, with capacious L-shaped sofas, TV and wood-burning stove is a comfy and cosy place to gather with friends or family after a morning's adventures on Courchevel's slopes.

Adjacent to the living area this the contemporary kitchen and a sociable dining area, with an impressive peninsular island, just made for eating, drinking and catching up

with friends. The property is self-catered so you get to choose exactly how, when and where you want to eat each day. The well-appointed kitchen has all the gadgets you might need to whip up delicious meals.

There are three bedrooms, two of which have their own TVs and balcony spaces, making them each their own little cosy escape in the evenings. All are designed to offer maximum comfort and relaxation.

The property's fabulous location, close to slopes, lifts and the centre of Courchevel, is what elevates this apartment above others in its field. In moments you can be out on the snow, being whisked up the mountainside, or sitting having a hot chocolate and people-watching in the centre of town. And the Alps views from the apartment's balconies don't hurt either!
