

Apartment Limeo Courchevel 1850

What we love...

We love the spacious balcony, from which you can enjoy views of the Alps.

Set on the third floor of the prestigious Mascara residence, this luxury ski apartment is a great base from which to explore Courchevel 1850 and the whole of the Three Valleys ski area. Not only can you be in the centre of Courchevel in seconds if you want to explore the shops, restaurants and bars, but the apartment itself is ski-in/ski-out so you can be out on the snow moments after finishing your coffee.

The contemporary and stylish interiors offer a warm welcome. A neutral palette, natural materials and nods to the apartment's Alpine location make this a space it's impossible not to relax in. The main living space includes a well-equipped contemporary kitchen, and a comfy and cosy dining space. The open-plan lounge area has sofas to

seat everyone and a corner fireplace where you can warm yourself through after a day on the slopes.

Spend quiet afternoons pampering yourself in Mascara's private wellness area, which, as well as a swimming pool, includes a gym, massage room and outdoor hot tub and sauna. Because Apartment Limeo is self-catering accommodation, you can choose whether you shower, get dressed up and head out into Courchevel 1850 for a night on the town, or simply pad back upstairs and enjoy a cosy dinner in, and an early night.

The three main bedrooms, plus cabin bunk space, are all designed to encourage total relaxation and a good night's sleep, leaving you refreshed and ready for another day of adventures tomorrow.
