

## Apartment Tintoretto Courchevel 1850

### What we love...

We love the wonderful, shared spa area, with swimming pool, hot tub and sauna, Jacuzzi, massage rooms and more.

Occupying an enviable position at the top of the brand new and exclusive Mascara Residence, this luxury duplex apartment in Courchevel has that 'on top of the world' feeling about it.

The building is situated at the foot of Courchevel 1850's slopes and is ski-in/ski-out so you can be on the snow in moments, with the whole of the Three Valleys skiing area at your disposal.

Inside, this property has been designed to encourage total relaxation. The entire top floor is given over to a beautiful living space, with an open-plan kitchen and dining area, as well as a cosy and comfy living zone and a separate cinema room. Doors out to the balconies provide an outstanding view as well as the opportunity to take in the mountain air.

Tintoretto comfortably sleeps eight across three double bedrooms and a corner bunk room, each with their own en-suite shower room. The main three main bedrooms have their own TVs, too, giving everyone in your party somewhere to escape to if they need a little quiet time.

When you're not on the slopes, or relaxing in Apartment Tintoretto, you might like to relax in the building's exclusive spa. The spa includes a large indoor swimming pool, Jacuzzi, massage rooms, and a gym, as well as a Norwegian sauna and an outdoor hot tub.

With great facilities as well as total privacy, a stay at Apartment Tintoretto has all the benefits of both great location and a cosy luxury ski apartment.

### Kids

This family-friendly, luxury ski chalet is a great choice for those travelling with children. There's a cosy bunk room to sleep two that's perfect for kids, and two of the three main bedrooms can be configured as either doubles or twins, giving families plenty of flexibility.

The ski-in/ski-out location, as well as the proximity to the lifts and ski school, makes this a property a stress-free choice for those travelling with little ones.

There are TVs in the lounge area as well as the three main bedrooms, so children can cosy up for cartoons on afternoons after ski school, and there'll never be any arguments over the TV remote. There's also a cinema room for afternoon movie matinees – just add popcorn. Kids of all ages will love heading down to the spa area to play in the private pool, too.
