

## Apartment Brunello Courchevel 1850

### What we love...

We love the spa area, with swimming pool, sauna and hot tub as well as a fitness suite.

A stylish apartment in a fabulous location, Apartment Brunello is the ideal base from which to explore Courchevel at your own pace. This luxury self-catering ski apartment is beautifully equipped, meaning you can come and go as you please, chilling out in the apartment whenever you want to and enjoying the best that Courchevel has to offer, too.

The apartment is on the second floor of the prestigious Mascara residence, which is perfectly located just moments from the lifts, ski school and the centre of town, so you'll never waste a moment getting to where you want to be.

As guests of Mascara you'll also have use of the building's amenities, such as the wellness area, which includes a gym, swimming pool, a relaxing lounge area as well as an outdoor sauna and hot tub. Or

book yourself in for a massage and soothe all your aching muscles after a morning on Courchevel's slopes.

The apartment itself has a welcoming and cosy atmosphere, the heart of which is the living area with comfy sofas and a roaring fire in the corner fireplace. Alpine style and a neutral palette make it impossible not to relax as you sink into armchairs with a drink in hand. The kitchen is well set up for self-catering guests with all the gadgets you could need, and the stylish dining area adjacent is the perfect backdrop for long, leisurely meals.

When it's time to turn in each night, the two en-suite bedrooms and gorgeous kids' mountain cabin with bunks provide everyone with a very cosy spot in which to enjoy sweet dreams and a deep sleep ready for another day's adventures.
