

Apartment Grignote Verbier

What we love...

We love the TV snug, tucked away on the mezzanine with a deep, comfortable sofa and cosy throws.

The moment you enter this effortlessly stylish luxury ski apartment, you're bound to instantly fall for its simple elegance. Combining modern, clean lines with traditional alpine accents, Apartment Grignote radiates warmth through its clever use of lighting, large windows, and roaring, wood-burning fire. It's also a short stroll from Verbier's main lift station and amenities, making it the perfect pied-à-terre in this attractive, buzzing resort.

Apartment Grignote's expansive open plan living area has a remarkable sense of space, with double height ceilings that are open to the mezzanine above. It's here that you'll cosy up to the fire after a day on the slopes, or take in the dazzling views from the sun-soaked balcony. Tuck into hearty home-cooked dinners around the dining

table with the snow-capped peaks visible through the French doors, a stunning backdrop to your meal.

Head up the twisting staircase to the TV snug, where you can while away an evening with a film or a book. Once you're ready to retire for the night, Apartment Grignote's four enchanting bedrooms promise a restful night's sleep. The impressive master bedroom, with decorative fireplace and terrace access, shares an opulent marble shower room (with a Hammam style shower, no less) with the double bedroom next-door.

Complete with a handy storage room for coats and shoes, Apartment Grignote has an exceptional selection of facilities that will make your luxury ski holiday a real pleasure.
