### What we love...

We love the building's private spa area, with its own swimming pool.

A perfect blend of great location and fabulous facilities, Apartment Mistero is a luxury ski apartment in Courchevel with all you could need for a stress-free mountain holiday.

Part of the new and exclusive Mascara residence, a collection of high-end apartments moments from the slopes and the centre of Courchevel 1850, Apartment Mistero is perfectly placed for everything you need.

The building is ski-in/ski-out so you'll be first out on the snow in the morning and when you want to return home, you'll be back in your apartment with your feet up in front of the fire within moments.

The heart of the apartment is the cosy living space, with neutral, Alpine decor, a roaring fire in one corner and a TV area for you to

relax in after a day packed with adventure on the mountain. Nearby is a well-equipped kitchen with all you need to cater for your party, and a sophisticated dining space that's the perfect backdrop for relaxed meals with friends.

In the afternoons, head down to the Mascara building's exclusive spa, just for guests, which includes a gym, massage rooms, indoor swimming pool and a quiet relaxation space. After a couple of hours of pampering, you'll have seen off any aches and pains picked up on the slopes.

In the evenings, Apartment Mistero's cosy bedrooms become little boltholes where you can escape the world. Each of the bedrooms is en-suite and has a TV and a balcony where you can take in the mountain air before turning in for the night.
