

Chalet Etienne Meribel

What we love...

We love the irresistible outdoor hot tub and barrel sauna, perfect for post-ski relaxation with mountain views.

Nestled amongst the trees in Méribel-Village, Chalet Etienne has a classic alpine beauty that is in complete harmony with its surroundings. Inside the chalet, rustic wooden beams and warm lighting are juxtaposed with quirky artworks, creating a welcoming atmosphere for you to return to each day from the slopes.

Once you've stored your equipment in the dedicated ski room, head on up to Chalet Etienne's expansive living space. This level comprises a sitting area blessed with breathtaking mountain views and balcony access, a spacious dining area, and a cosy snug with a TV and stone fireplace. This is the perfect spot to sit back with a cake and hot drink after your mountain adventures.

Chalet Etienne is equipped with outstanding spa facilities to help you soothe tired muscles. Choose between watching snowflakes fall as you soak in the outdoor hot tub, or gazing at the snow through the glass wall in the outdoor barrel sauna. It's hard to imagine a more blissful après-ski.

After tucking into your evening meal and enjoying a movie night by the fire, retire to one of Chalet Etienne's seven lovely bedrooms, each with its own en-suite bath or shower room and delightfully decorated with brightly painted wood and colourful cushions and throws. If you're lucky you'll secure the master bedroom, with its floor-to-ceiling windows offering spectacular views.

Kids

The cleverly designed living space allows you to enjoy wine and nibbles in the main sitting room while the kids play or watch a film in the TV snug nearby. They're bound to love taking a dip in the outdoor hot tub, too.
