

## Chalet Les Sources de l'Isere Val d'Isere

### What we love...

We love the breathtaking views over the Isère river and of the snowy peaks above, best enjoyed from the outdoor hot tub.

Les Sources de l'Isère is a spacious, luxury ski chalet-apartment tucked away in Le Fornet, an area of Val d'Isère much sought-after for its authentic charm and proximity to the pistes. Exquisitely decorated in a true Alpine style with beautiful exposed wood and sheepskin throws, it's so homely and inviting that you might be tempted to skip the skiing and instead spend your days curled up here by the fire.

The elegant open plan living space is the beating heart of Chalet Les Sources de l'Isère, arranged around a central fireplace so that the crackling fire can be enjoyed from all corners. On one side, the sitting room features a large L-shaped sofa beckoning for you to sink into it with a tea or glass of wine. On the other, the expansive kitchen and dining area is where you'll tuck into nibbles and hearty three-course meals while swapping stories of the slopes.

For the ultimate post-ski rejuvenation, head out onto the terrace where you can soak in the outdoor hot tub while enjoying sublime views of the Isère river and a picturesque old stone bridge. Chalet Les Sources de l'Isère also boasts an indoor spa area with a sauna, ideal for soothing aching limbs.

The seven stunning bedrooms feature rustic wooden beams, sumptuous soft furnishings, and en-suite bath or shower facilities. Complete with a private boot room and several balconies with views of the summits, Chalet Les Sources de l'Isère is a simply charming setting for your luxury ski holiday.
