

La Villa Dubrovnik Dubrovnik

What we love...

We love the large pool terrace, which has beautiful views whichever way you look – back towards the impressive villa or out over the treetops to the coast.

La Villa Dubrovnik makes a striking first impression with its symmetrical all-white exterior featuring oversized arched doorways, grand pillars and ornate balconies. Positioned in the charming coastal village of Trsteno, a stay here allows you to dip into the buzzing centre of Dubrovnik before retreating to a peaceful and private home-from-home.

Manicured lawns, statement palms and smart white balustrades add to the refined feel of this luxury villa. There's a huge sense of space indoors and out. The sociable open-plan interior opens onto a grand undercover dining area and flows out to the terrace where a large swimming pool takes centre stage. This sun-soaked spot is the perfect place to curl up on a sun lounger with a good book and a nice glass of something chilled.

Five plush and contemporary bedrooms are housed in the main villa. The two master suites have a generous walk-in wardrobe as well as a balcony where you can enjoy a morning coffee in peace overlooking the swimming pool and out to the Adriatic Sea. A light and airy annexe adjoining the house provides extra privacy for a couple or two teens.

La Villa Dubrovnik makes for a restful luxury villa holiday in Croatia with friends and family. Equally, it can be a beautiful base from which to explore Dubrovnik, the lush Neretva Valley, Mljet and the idyllic Elafiti Islands on an activity-filled escape.
