

Chalet Riant Verbier

What we love...

We love the outdoor hot tub, best enjoyed under the stars.

A warm welcome is always on offer at Chalet Riant, a luxury ski chalet in Verbier, hidden away in a charming hamlet at the top of the village.

The main living spaces, all designed using natural materials, including rich woods and dark stone, and a calming neutral palette of colours, provide a relaxing backdrop for evenings spent chatting with family and friends or curled up on the huge wraparound sofas with a book and a glass of wine. Make sure you spend some time out on the living room's balcony making the most of the mountain views before you retire to your beds ready for more Verbier adventures in the morning!

You'll wake each morning in one of the four cosy bedrooms, each decorated in a neutral palette with uber-comfy beds and soft, cotton linens. The top floor hosts the master bedroom, with its stunning view.

Pad downstairs to the open-plan kitchen for a spot of breakfast at the kitchen island or in the dining room, where the doors open out onto the gardens. You might like to take your coffee outside to breathe in the mountain air – there's no better way to wake up gently.

You're just a few minutes' drive from the lifts at Chalet Riant so you can be out on the snow in moments each morning.

When you return each evening, just kick off your ski gear in the boot room before heading into the sauna to ease any aching limbs picked up on the slopes. Nearby is the outdoor hot tub, where you can escape with a glass of bubbly in the evenings for a little stargazing.
