

## Chalet Zanskar St Martin de Belleville

### What we love...

We love the spectacular valley and mountain views from the top floor living areas.

Space, style and sociable living, Chalet Zanskar is just perfect for groups of friends or family to share. With the space and attentive staff you'd get in a hotel but all the intimacy and privacy of your own chalet, this ticks all the boxes for your luxury catered ski holiday.

The double-height living room, decorated in a neutral palette and warm wood tones to bring the scheme to life and classic but contemporary furniture pieces that bring an understated elegance to the room. Collapse in the smart, capacious sofas by the fireplace and catch up on all the adventures everyone has had during the day. Just off the living area is a balcony, which has wonderful views of the valley and mountains.

Adjacent, there's a sophisticated dining area that seats 12 where you'll be happy to linger in long into the evening, chatting over

excellent food and fine wines under the twinkling lights. Indeed, the whole living space is completely transformed in the evening from a light and airy space to a cosy retreat, sparkling with candlelight.

If you feel in need of a bit of pampering, pop into the sauna to warm through every slopes-weary muscle in your body and find your mojo again for the evening's fun. A separate home cinema room also provides a space for children to watch movies while the adults catch up before dinner, or a cosy place to unwind after food with a film all together.

When night falls, you'll be only too pleased to hunker down in the contemporary and cosy bedrooms. Falling into the comfy beds at Chalet Zanskar, you're guaranteed to have sweet dreams and wake up ready to take on the Three Valleys again.
