

Chalet Cascades Morzine

What we love...

We love the stylish bar area, where you can mix a pre-dinner cocktail and admire the breathtaking views through the panoramic windows.

Ideally positioned between central Morzine and the spectacular natural beauty of the Dranse valley, Chalet Cascades is blessed with glorious views of snowy pine forest and the soaring peaks above. Just minutes from the nearest ski lift, this luxury ski chalet is also conveniently located for accessing the enormous ski area of Les Portes du Soleil.

Begin your days at Chalet Cascades by stepping out onto the balcony or terrace directly from your bedroom, and taking in the fresh mountain air while you sip your morning coffee. Each of the chalet's five bedrooms has its own en-suite and wonderful mountain views.

Grab your skis from the dedicated boot room and prepare yourself for exploring Morzine's expansive network of pistes.

On your return, Chalet Cascade's open plan living area awaits, with its effortlessly elegant blend of rich wood, cosy soft furnishings, and modern design. Whether you sink into the sofas, mix yourself a drink at the bar, or tuck into nibbles in the dining area, you're serenaded by views through the floor-to-ceiling windows.

After a session in Chalet Cascade's fully equipped gym or the tempting glass-fronted sauna, head out onto the terrace for a soak in the outdoor hot tub with a glass of bubbles in hand, the ultimate après-ski. And what luxury ski holiday would be complete without a movie night with family and friends, best enjoyed in the magnificent cinema and games room.

Kids

Everything at Chalet Cascades is designed to make travel with children easy. All the details of your holiday can be pre-organised so that you don't have to traipse around Morzine with kids in tow on your first evening, such as lift passes waiting for you on arrival, ski school bookings, and in-chalet ski and boot fitting. It's even possible to arrange professional childcare, should you wish to have a child-free evening at one of Morzine's many excellent restaurants.

The chalet itself features a cinema and games room, the perfect place for children or teens to hang out and play table football or watch their favourite films.
