

Chalet Nanook Morzine

What we love...

We love the below-ground wellness area with swimming pool, sauna, Jacuzzi and more. Perfect for recuperating after an energetic day on the slopes.

Blessed with astounding views that take in forested mountainside and sweeping valleys, this luxury ski chalet in Morzine feels a world away from the chaos of everyday life. Yet Chalet Nanook is just a short 4-minute drive from the resort centre, with accordingly convenient access to the colossal Portes du Soleil ski area and its world-class skiing.

On entering Chalet Nanook you'll discover a dedicated ski room and an alluring glass-fronted sauna, perfect for unwinding after a day on the slopes. Here you'll also encounter the first of the five warm, wood-panelled bedrooms, each with its own elegant en-suite.

Head upstairs to find Chalet Nanook's remaining bedrooms, including the master suite with its lovely freestanding bath, separate shower, and spacious private balcony.

These bedrooms enjoy close proximity to the outdoor hot tub terrace, where you can gaze at the peaks while you soak tired limbs with your favourite tippie in hand.

Chalet Nanook's uppermost floor is arguably its most impressive. Floor-to-ceiling windows display incredible views that seem to stretch out in every direction. This open-plan living space is perfect for gathering with family and friends, whether you're warming up by the log fire or playing games at the dining table while delicious aromas drift from the kitchen. After dinner, retreat to the TV snug for a film night, the perfect end to each day of your luxury ski holiday.

Kids

With its short transfer time, Chalet Nanook is exceptionally convenient for groups with children. What's more, kids will love splashing around in the outdoor hot tub or snuggling up with a film. Teens are well catered for with a games console located in the TV snug.

Take the stress out of travelling with children by arranging to have your lift passes waiting for you on arrival, and skis and boots fitted in the chalet – much better than taking little ones into town on your first evening.
