

Chalet Ranch Verbier

What we love...

We love the outdoor terraces with covered living spaces and a hot tub in which to soothe tired muscles after skiing.

Combine a week of epic adventures with plenty of relaxation at this peaceful chalet, set in a quiet corner of Verbier.

Chalet Ranch combines traditional Alpine style and contemporary interiors perfectly. Step into the main living space and you instantly seem to breathe a little deeper. Double-height ceilings and huge windows allow daylight to flood in, and a neutral palette and natural materials bring a sense of calm. Two enormous sofas face each other, creating a wonderful spot to catch up with friends or family when you return from the slopes and a modern dining space is the backdrop to long, leisurely meals. A stunning 'hanging' fireplace and statement lighting up the cosy factor as the sky darkens outside and night draws in.

On chilly afternoons, head for the sauna and steam room, or simply snuggle under blankets in the private cinema room as the snow falls outside.

No luxury ski chalet should be without a good dose of mountain air, however. Step out onto your bedroom's balcony each morning to take in that fabulous mountain view over the first coffee of the day. And in the evenings, there's nowhere better to appreciate this special location than from the outdoor terraces. Wrap up warm and take in the evening sky under the covered terrace, or grab your robe and a glass of bubbly and settle into the hot tub to enjoy the fresh air and watch the stars twinkling away over Verbier.

Eating

All the catering is taken care of at Chalet Ranch. You'll wake each morning to a cooked or continental breakfast prepared by your chef and host, with lots of delicious options to fuel your day's skiing.

When you get back to your chalet, a freshly baked afternoon tea awaits and later, pre-dinner Champagne and canapés get the evening's jollities started around the roaring fire. A four-course meal is served in the evenings with complimentary wines, beers and soft drinks to accompany it.

Dinner is served on six evenings of seven, and the chalet's staff will be happy to make restaurant reservations for you on the chef's day off.

Chalet Ranch can also be taken on a self-catered basis if preferred.
