

Villa Osee Lake Como

What we love...

We love the staggering views across Lake Como to the mountains beyond, best enjoyed from the sublime infinity swimming pool.

It's the views at Villa Osee that capture your heart from the moment you glimpse them through the panoramic windows, or step out onto the expansive terrace. This luxury villa on Lake Como is nestled in the charming village of Sala Comacina and commands dramatic views across the lake, island, and soaring peaks beyond.

You're spoilt for choice for places to admire these vistas. Villa Osee's shimmering infinity swimming pool seems to merge with the sapphire waters of Lake Como and is the perfect place to cool off on a hot day. Alternatively, soak up the Italian sunshine on one of the sun loungers or sip an apéritif in the bubbling outdoor hot tub. When dinner is served, gather in the outdoor dining area and watch the sky turn golden while your favourite tunes play through the Bluetooth audio system.

Inside Villa Osee is no less impressive, with its tasteful modern furnishings and elegant open-plan living area. The sliding panoramic windows allow you to create an indoor-outdoor space that's in complete harmony with the spectacular natural setting. Curl up with a book and admire the beauty of the lake from the comfort of your sofa. For further relaxation, there's a sauna with its own lovely views, next-door to the fully equipped private gym.

Sleeping up to ten guests in its five en-suite bedrooms – four of which have mesmerising lake views – and featuring a dedicated villa manager, Villa Osee is the ultimate setting for a luxury villa holiday with loved ones.
