

## Apartment Chavinaud Les Gets

### What we love...

We love the unrivalled location, just minutes from the nearest ski lift and Les Gets' bustling centre.

Apartment Chavinaud's location is hard to beat. This luxury penthouse apartment is nestled in the heart of Les Gets, with unparalleled access to its shops, restaurants, and nightlife. Just three minutes away on foot, the Chavannes ski lift awaits to whisk you to the top of the mountain, where you'll find more pistes than you could ever hope to ski in a week.

Apartment Chavinaud's welcoming living space has been cleverly arranged around the central fireplace, so that wherever you settle you'll hear the crackle of the log fire. On one side, the kitchen and dining area form the perfect setting for feasts with friends and family. On the other, the enormous U-shaped sofa is

perfect for sprawling out on after a day on skis. One whole wall of this room is dedicated to full-height windows that display fabulous views across Les Gets. Stepping out onto the large covered balcony, you'll discover a bubbling outdoor hot tub, the ultimate way to relax weary legs.

Ideal for families, Apartment Chavinaud features five charming en-suite bedrooms, including a family suite with a triple bunk and a further children's bedroom. This is where you'll find the TV lounge and play area, a place little ones can truly call their own. Decorated with warm wood and sumptuous soft furnishings throughout, Apartment Chavinaud is the perfect setting for your luxury ski holiday.
