

Chalet Ottawa Val d'Isere

What we love...

We love the spa area with heated swimming pool, surrounded by deckchairs, with a Hammam and massage room nearby.

Escape to a winter wonderland at Chalet Ottawa. This luxury ski chalet in Val d'Isère has bags of modern-rustic style, with its wood-panelled rooms and gentlemen's club feel, as well as plenty of snowy sparkle.

In the main living room, comfy sofas, a roaring fire and feeling of quiet prevail. This is the place in which to sprawl with the papers on a quiet afternoon, or catch up with friends, drinks in hand, on all the day's adventures.

A sophisticated dining area offers a space for you all to talk over a long, leisurely meal prepared by your chef. Outdoors, a terrace has mountain views and fresh air in abundance. An ideal spot for early morning coffees and late evening nightcaps under the twinkling stars.

On snowy afternoons, return from the slopes, fill up on hot drinks, cakes and treats and then make the most of Chalet Ottawa's entertainment spaces. The cinema room, with huge, comfy sofas, just needs the addition of a film and a box of popcorn. And the stunning spa with chequerboard floor has an indoor swimming pool, lounge area, Hammam and massage treatment room. No matter how many aches and pains you've picked up on the slopes, you'll find a cure here.

When you head to bed each evening, it's to relaxing bedrooms with king-size beds, spa-style en-suites and lots of little details that ensure each room is a retreat all of its own.
