

## Silverstone Penthouse 4

Val d'Isère

### What we love...

We love the cosy private home cinema room for afternoon movie marathons.

Enjoy all the luxuries of a hotel stay with all the home comforts of your own private penthouse suite at this luxury ski chalet in Val d'Isère. Penthouse 4 is one of a small handful of suites that make up the sought-after Silverstone Residence, a prestigious, ski-in/ski-out building in the Legettaz area, where a team of staff are on hand to help with whatever you need.

The apartment is contemporary and cosy, with the main living spaces offering a warm welcome. At the heart of the property is a statement glass and stone fireplace, with sofas and armchairs gathered nearby, encouraging everyone to get together at the end of each day and share tales of their adventures. A pretty dining space and fully-equipped kitchen make up the remainder of the living spaces, and outside are two furnished terraces,

from which you can enjoy the view and the mountain air, wrapped in a warm throw, drink in hand.

The restful bedrooms are each designed with plenty of little luxuries such as fluffy robes and beauty products, and the beds offer guaranteed comfort, with every pillow plumped to perfection.

While you're close to all the skiing action here, you'll treasure your afternoons at Penthouse 4. Once you've kicked off your skis, head to the cinema room to lounge in front of a movie, or take a glass of wine outside to the hot tub and let the bubbles soothe your muscles. And don't forget your concierge team is on hand for anything you need, from restaurant bookings to arranging massages and beauty treatments in the privacy of your penthouse apartment.

### Kids

Children are made to feel most welcome at this family-friendly ski apartment in Val d'Isère. A cosy bunk room that sleeps four kids gives them a den of their own where they can hang out happily and escape the adults.
