

## Chalet La Tanière Meribel

### What we love...

We love the magnificent wellness area with its enormous indoor swimming pool, Hammam, sauna, gym, and tempting outdoor hot tub.

Perched in the wonderfully private and secluded Belvédère area of Méribel, Chalet La Tanière is blessed with ski-in/ski-out access to the colossal Three Valleys ski area. Boasting an unrivalled location and state-of-the-art facilities, this breathtaking luxury ski chalet promises an unforgettable escape.

Begin your days at Chalet La Tanière by waking to panoramic views of snowy peaks from your bedroom window. The six en-suite bedrooms could not be more inviting, with shelves laden with books, fur throws and flickering fires. Five have balcony access and the master bedroom even features an office space, private dressing room and fireplace.

Collect your equipment from the ski room and head directly out onto the slopes. When you return to Chalet La Tanière, what better way to

unwind than by taking a dip in the sapphire-coloured indoor swimming pool. The spectacular wellness area also comprises a sauna and Hammam for soothing sore limbs, a well-equipped gym, and a massage room for the ultimate relaxation. Outside, the steaming hot tub occupies a magical spot sheltered by snow-dusted pine forest.

Centred around a grand stone fireplace, Chalet La Tanière's sitting room offers an alluring blend of traditional alpine and modern chic, the ideal setting for a decadent afternoon tea. Nearby, another reception room with awe-inspiring views is ideal for a pre-dinner drink, and the intimate dining area beckons for delicious family meals. Later, retreat to the cosy cinema room for a film night, the perfect end to every day of your luxury ski holiday.
