

Silverstone Penthouse 6

Val d'Isère

What we love...

We love the terraces, with their hot tub and outdoor dining and living spaces.

Tucked away at the foot of the Solaise Massif in Val d'Isère, is the Silverstone Residence, a handful of luxury ski apartments where comfort is key and location is everything. Silverstone Penthouse 6 is on the second, third and fourth floors of the building and offers a cosy retreat from the world with dark woods, neutral furnishings and Alpine style.

Despite its peaceful location, the property is close to the centre of Val d'Isère and the slopes, so you can get to wherever you want to be with ease. But returning home to Silverstone Penthouse 6 is always a pleasure.

The darkly cosy sitting room is like stepping into Narnia, enclosing you in rich woods and other natural materials. Grab a glass of wine

and escape to the sofas, laden with cushions and throws, and warm your toes by the roaring fire. Nearby is the stylish dining room with banquette seating and designer lighting, and a well-equipped kitchen where your chef will prepare gourmet meals for you all.

Outside there are three terraces with outdoor dining and living areas, to allow you to make the most of the mountain air, as well as an open-air hot tub where you can soak weary legs after a day on Val d'Isère's slopes.

Retreat to comfy and cosy en-suite bedrooms at the end of each day, where each bed has been tested for the best bounce factor and each pillow plumped to perfection, ready to accompany you to sweet dreams of tomorrow's snowy adventures.
