

## Apartment Baryte Verbier

### What we love...

We love the covered outdoor terrace, with tables and sofas, allowing you to sit outside in all weathers.

Within easy walking distance of the centre of town and just a couple of minutes' stroll to the ski lift, this luxury apartment in Verbier is the perfect base from which to explore this magical resort.

Apartment Baryte offers a warm welcome, with its modern style and palette of light woods and neutral tones. The light, bright cooking and dining space includes a fitted kitchen with top-of-the-range appliances and all the gadgets you could need, as well as an extending dining table to sit around with friends over delicious food.

Step through into the beamed living area and you'll find huge, squashy sofas and armchairs, gathered

around a roaring fire, with views from the floor-to-ceiling windows of the cable cars climbing the mountain. A flatscreen TV means you can all gather for a film night in the evenings, too.

Through French doors, a spacious balcony sits under cover, with outdoor sofas, tables and chairs, where you can take in the mountain air over a morning coffee or an evening nightcap before heading to bed.

Each of the bedrooms is contemporary and comfy, and stocked with robes, slippers and lovely bath products to ensure you feel relaxed, pampered and right at home.
