

Apartment Ceres Val d'Isère

What we love...

We love the generous open plan living space, with its enormous L-shaped sofa, crackling log fire, and balcony offering stunning views.

Apartment Ceres welcomes its first guests in winter 2024/25 and promises to be a truly enchanting retreat in the heart of Val d'Isère. This luxury ski apartment's relaxed yet sumptuous interiors are punctuated by beautiful exposed wood and characterful furnishings, creating a warm, inviting ambience that will make you feel instantly at home. The great location, offering access to both the Belvedere and Solaise areas, could hardly be better.

From the moment you enter Apartment Ceres, it strikes a memorable first impression with its large open plan living space. The atmospheric sitting area features large, comfortable sofas from which you can bask in the glow of the flickering log fire. Nearby, the kitchen and dining area provide a lovely backdrop to family meals or

apéritifs with friends. This level also features a dedicated ski and boot room, and a balcony where you can take in the sweeping vistas with your morning coffee.

Descend to Apartment Ceres' lower floor and you'll find the four stunningly decorated bedrooms, each possessing its own en-suite shower room. There's a charming children's bunk room which little ones can claim as their own, but it's the spacious master bedroom you'll want to secure, with its bathtub where you can soak tired limbs after a day of carving down the pistes.

Apartment Ceres is part of a collection of four apartments, including Apartment Aurora, Apartment Flora and Apartment Luna which can be rented together accommodating up to 30 guests.
