

Apartment Le Tournesol Morzine

What we love...

We love the outdoor spaces of this apartment perfect for summer and winter.

Located just 20 metres from the green Retour de Nants piste, this brand-new luxury apartment will welcome its first guests in winter 2024/25 season.

Inside, the neutrally decorated property is relaxing and stylish. The living area is central to the apartment, with a well-equipped kitchen, contemporary dining area and a living space with a comfy sofa just made for lounging on after a long day's skiing. The modern kitchen is open-plan, so whoever is the chef in your group is always part of the action.

While the interiors are every bit as cosy and comforting as you'd hope, don't forget to enjoy the terraces. From the west-facing terrace, watch

the last skiers hurtle past from your private outdoor hot tub while you soothe away aching muscles with a glass of bubbly in hand. Each morning, savour your morning coffee and watch the sun rise over Morzine from the smaller east-facing terrace.

At the end of each day, retire to one of the relaxing bedrooms with the softest of sheets and only the plumpest of pillows to guarantee total comfort and sweet dreams.

For larger groups, this apartment can be rented alongside Chalet Joy next door (subject to availability). Alternatively, Chalet 46°, Apartment 6°, Lodge Des Nants, or Chalet Genepi are all just a few minutes' walk from Apartment Le Tournesol.
