

Apartment Luna Val d'Isère

What we love...

We love the luxurious master bedroom, with its tempting freestanding bath and enormous private balcony offering awe-inspiring mountain views.

An exciting new addition to Val d'Isère's collection of luxury ski apartments, Apartment Luna welcomes guests for the first time in winter 2024/25. It promises a rare blend of intimacy and elegance that will charm any guest, from its exquisite wood panelling to its cosy soft furnishings. Offering access to this highly sought-after ski area, its location at the foot of the pistes is one of the best to be found in Val d'Isère.

After a day of cruising down beautifully groomed pistes, return your equipment to Apartment Luna's private ski and boot room before heading upstairs to the inviting living space, flooded with natural light. Here's where you'll prepare delicious meals together in the fully equipped kitchen, and tuck in to

them at the spacious dining table. Just beyond, you'll find the stylish yet impossibly homely sitting room, with its crackling log fire and a balcony where you can marvel at the spectacular mountain views.

Featuring wooden beams, warm neutral tones, and elegant en-suite bathrooms, Apartment Luna's four bedrooms are each a charming cocoon for you to retreat to each night. The master bedroom possesses its own freestanding bath and a private balcony, the epitome of luxury.

Apartment Luna is part of a collection of four apartments, including Apartment Aurora, Apartment Flora and Apartment Ceres which can be rented together accommodating up to 30 guests.
