

Chalet Lupa Chamonix

What we love...

We love the cleverly designed living space, centred around a striking suspended fireplace and featuring plenty of cosy corners for everyone to escape to.

Nestled in the heart of the Chamonix valley surrounded by private gardens, Chalet Lupa is a brand-new luxury ski chalet located a short walking distance from Chamonix centre. Decorated throughout with an irresistible alpine chic, it combines traditional mountain features such as wooden beams and antler light fittings with contemporary touches such as the dramatic suspended fireplace.

Chalet Lupa's upper floor is devoted to socialising with loved ones. Arranged around the central fireplace, it features several distinct areas. Whip up delicious feasts in the modern kitchen, before sitting down to enjoy them together at the enormous, elegant dining table. Nearby, a cosy TV corner with plenty of soft seating beckons for you to curl up with a hot drink.

The lower floor is where you'll find Chalet Lupa's six bedrooms, providing warm, inviting refuge from the snow outside. Each has a stylish en-suite shower room, and beds that can be made up as a double or twin, offering the ultimate flexibility for corporate groups or families with children. Many of the bedrooms have large glass doors opening out into the garden, where you can enjoy the fresh mountain air and views of the summits.

This is also where you'll find the bubbling outdoor hot tub, the perfect place to soothe aching limbs after a day of exploring the slopes. Retreat to the barrel sauna for further relaxation. Complete with a dedicated ski room with boot warmers, Chalet Lupa has everything you need for an unforgettable luxury ski holiday.

Chalet Lupa is available with a choice of service level. Passionate home cooks will no doubt opt for self-catering, allowing them to make the most of the beautifully appointed open plan kitchen. Don't worry – if ever you need a night off from cooking, Chamonix's many excellent restaurants are a short walk away, or for an extra charge, a private chef or meal deliveries can be arranged on an à la carte basis.

If you prefer to sit back and relax while flavourful meals are prepared for you, you can choose the Silver or Gold Catering packages. With Silver Catering, you'll be treated to relaxed, buffet- or family-style meals and wine served with dinner. Gold Catering is the fully serviced option; indulge in a Champagne toast on your arrival, daily breakfasts and afternoon teas, pre-dinner canapés, and superb 4-course dinners on six nights, all served by your chalet host, and with an open bar to accompany it all.

Kids

Chalet Lupa's layout is ideal for family groups. The bedrooms can all be made up as twins if needed, offering flexibility for groups with lots of children. The open plan living area is cleverly designed to give the whole family their own space, so that little ones can watch a film while teens catch up on homework in the study space nearby, and you and your friends can relax in the dining area with nibbles and drinks. Outside, younger guests will love building a snowman in the private garden or taking a dip in the hot tub.

When it's time to visit the slopes or the resort centre, Chalet Lupa's central location makes everything easily accessible. A dedicated in-resort driver service can even be booked for an additional cost, allowing you and your children to reach the ski lifts with ease.
