

Chalet Mèlèzes Chamonix

What we love...

We love the irresistible outdoor swim-spa, with its spellbinding views of the towering peaks of Les Drus.

The views at Chalet Mèlèzes are truly one-of-a-kind. Iconic peaks soar upwards in every direction, and seemingly every window displays snow-laden pine forest and rocky summits. In addition to these staggering vistas, this luxury ski chalet in Chamonix has a convenient location close to the ski lifts and a stunning contemporary aesthetic, peppered with luxurious touches and eye-catching pops of colour.

Chalet Mèlèze's lower ground floor is where you'll enter after a day of exploring Chamonix's world-renowned ski area. Leave your equipment in the ski room and make your way to the wellness area, with its sauna and well equipped gym. Then head outside to the heated swim-spa with counter flow current, where you can swim or soak amidst breathtaking mountain panoramas.

This floor is also where you'll find a charming children's bedroom and games room, with an additional bedroom nearby perfect for a nanny. Upstairs, you'll encounter Chalet Mèlèze's remaining bedrooms, each with its own stylish en-suite bathroom. Alluringly decorated with vibrant hues and opulent soft furnishings, it's hard to imagine somewhere more comfortable to lay your head.

The pièce de résistance, however, is Chalet Mèlèze's magnificent upper floor. Flanked by balconies and floor-to-ceiling windows looking over Mont Blanc and Les Drus, this is where you'll gather to discuss the day's adventures over cake or an apéritif. There's a spacious dining area and a bar area for preparing those après-ski cocktails. Tucked away behind the statement fireplace, a cosy sitting area awaits for you to curl up with a film or simply enjoy the views.
